

Cherry G80-8308

Standard keyboard with 24 programmable
Keys in 10 layers.

**Description**

This keyboard is suitably to store macros, hot keys or always recurring texts in a large number.

The 24 easily programmable keys can be occupied on 10 levels with a text by approx. 100 characters. The individual levels are selected by the Layer Key and displayed at the 7-Segment-Display. [Programming](#) takes place in the on-line operation: The characters are recorded while writing.

Specification**Mechanical data**
