

**Cherry MX-Key**

High quality key by Cherry

**Description****Specification****Mechanical data**

|                       |                                                   |
|-----------------------|---------------------------------------------------|
| Dimensions:           | 15,6 or 15,6 x 15,6 or x 15,6 x 18,5 or x 18,5 mm |
| Housing:              | Plastic                                           |
| Degree of Protection: | IP40                                              |
| Color:                | black                                             |

**Keys**

|                   |                                                   |
|-------------------|---------------------------------------------------|
| Key Technology:   | gold plated                                       |
| Number of Keys:   | 1 or 1                                            |
| Operational Life: | 1 mio. keystrokes min. or 50 mio. keystrokes min. |
| Stroke Force:     | 0,6 or $0,6 \pm 0,2$ N or $\pm 0,2$ N             |
| Stroke Travel:    | 3,8 or $3,8 \pm 0,4$ mm or $\pm 0,4$ mm           |

**Electric Data**

|                    |      |
|--------------------|------|
| Operating Voltage: | 12 V |
|--------------------|------|

Operating Current: 10 mA

---

#### Environment

Operating Temperature: from -10 °C or from -10 °C to +70 °C or to +70 °C

Storage Temperature: from -40 °C or from -40 °C to +70 °C or to +70 °C

Humidity: 5% to 95%

---

#### Additional Information

14-0,5 mm, R = 0,3 mm

---

#### Order Information

---

| Order No. | Article        |            |
|-----------|----------------|------------|
| ZT1020    | Cherry MX-LINE | no snap in |
| ZT1010    | Cherry MX-Rast | snap in    |
