

Fujitsu N860

Standard keyboard with windows keys

**Description**

This Fujitsu keyboard brings the added convenience of 3 new keys to the highly advanced design of these family of keyboards. The new keys, Left Windows, Right Windows and Application Menu, will provide the user with enhanced access to windows95 system and application function.

The keyboard makes an ideal solution for a wide range of system applications. Featuring a true curved keyswitch panel, quiet full-travel keyswitch action with excellent tactile feedback, and a full-size layout in a small footprint design, this keyboard series offers unsurpassed value from Fujitsu.

[PS/2](#) adapter included
