

**KW-32 Series Table Housing**

Compact keyboard with 32 keys and IP65 protection.

**Description**

These small "handheld" keyboards enable all major functions of a large 101/102 key MF keyboard.

Function keys F1 to F10 and complete upper and lower case alphabet are available.

Available as panel mount version (with or without carrier plate) or as IP65 sealed enclosed version (ABS housing or steel housing).
