

**KWD-102 Table-Top**

IP65 keyboard for 19" drawers. Space saving design. Optional fingermouse. Also in black.

**Description****Applications:**

This absolutely splash-water and dust-protected keyboard fits by its compact design in 19" drawer.

**Further features:**

- A finger mouse can be integrated into the cursor-up key, which makes an additional mouse unnecessary (see closeup).
- The durable housing shows a very high twisting rigidity.
- The two-colored key caps insure a resistance to high long-term demand.
- Great tactile feedback and 3.25mm of travel make this keyboard just as comfortable and [Ergonomic](#) to us as a standard office keyboard.
- In order to avoid soiling of the key gaps we recommend the protective plastic film.
- The keyboard can be customer-specifically adapted and is available with other country layouts on demand.

These keyboards are available on request at the same price with XT interface.

**Specification****Mechanical data**

Dimensions:	405 x 185 x 44 mm
