

KWI-108 Roll-up Keyboard

Roll-up Keyboard - Ideal for travel and easy to store

**Description****Description**

This keyboard suits all modern [Ergonomic](#) standards. Because of the compact size this keyboard offers high input reliability for areas that require maximum volumetric efficiency.

No chance for liquids. The keyboard is dust and moisture proof and easy to clean because of the hermetically sealed silicon surface. The KWI-108 is Windows-compatible and has a lifetime of about 1.5 million keystrokes. It comes up with a [USB](#) or [PS/2](#) interface.
