

DuraPoint

High quality navigation tool in stainless steel housing or built in version.

**Description**

This mouse is use in areas where a standard mouse is out of question due to the environmental influences.

This supermouse convinces for the following reasons:

- Housing is built from extremely acid -, impact and rust resistant steel.
- Resistant against water, bleach, soap, alcohol, oil, salt and therefore ideal for production environment.
- Serial interface with provided adapter to [PS/2](#). Further interfaces on request available.
- Packet contains driver software as well as extensive documentation.

Specification**Mechanical data**

| | |
|---------------|-------------------|
