

## W30 Series

Waterproof programmable keyboard, available either as mountable or as table-top version with 30 single keys

## Description

- The W30 can be used in all areas, where a quick input of data is needed.

### Characteristics:

- The long travel keys and the good tactile feedback makes this keyboard very comfortable to use.
- The contacts and the electronic components are both water and dust proof.
- The software used to program the keyboard is simple to use and is included in the shipment.

## Specification

### Mechanical data

|                       |                                              |
|-----------------------|----------------------------------------------|
| Housing:              | Table-top housing or Built-in                |
| Dimensions:           | 133 or 109 x 185 or x 149 x 39,35 or x 36 mm |
| Weight:               | 0,520 kg                                     |
| Housing:              | Plastic                                      |
| Degree of Protection: | IP65                                         |
| Color:                | computer grey or black                       |
| Cable Length:         | 200 cm                                       |

### Keys

|                   |                         |
|-------------------|-------------------------|
| Number of Keys:   | 30                      |
| Keyboard Layout:  | free                    |
| Operational Life: | 10 mio. keystrokes min. |
| Actuation Force:  | 0,65 N                  |
| Stroke Travel:    | 3,25 mm                 |

### Electric Data

|                    |                                                                 |
|--------------------|-----------------------------------------------------------------|
| Interface:         | AT or <a href="#">PS/2</a> or RS232 with AT-interface for power |
| Operating Voltage: | +5 V                                                            |

Operating Current: 50 mA

### Environment

Operating Temperature: from -20 °C to +60 °C

Storage Temperature: from -40 °C to +70 °C

### Additional Information

Additional keycaps: 3pcs 1x2 and 1pc 2x2 keycaps

## Order Information

### Package includes:
