

X-Key 20 Keypad

The programmable keypad with 20 keys for PCs and Macs.

Description

By summarizing more complex and recurring combinations of keys on one key, the x-key offers a clear facilitation of work and also an increase of productivity.

Specials:

- The X-Keys Pro comes with a [USB](#) connector und is therefore MAC compatible.
- It can be used for applications, which do not require a regular keyboard.
- Activates e.g. CAD complex commands
- Includes Macro Works software for Windows (or iKey for Mac OS-X)
